\* Entertainers, Community Village, Energy Park and Teen Crew have their own hours. Please check with them for times.

## Get on the FFN and/or Voting Membership List

Some of you may still not be on the lists of your choice, namely, the mailing list that will get you this newsletter every month and/or the membership list so you can vote!!!! So, check some of the following and mail to: OCF, Membership/Mailing, 442 Lawrence Street, Eugene, 97401.

[ ] I am not receiving the Fair Family News. Please put me on the mailing list.  
[ ] I do not know if I am on the membership list. Please verify my name and send me a membership application if I am NOT on the list.

I am with (Crew or Booth):

Crew/Booth #:  
Crew Leader/Booth Rep:

Who can verify my participation:

My name:

Email address:

Mailing address:

[ ] This is a new mailing address.

## Youth Power at the OCF

Hey Fair Families, do you have responsible young folks who are too young for Teen Crew but want to contribute to the Fair?

Then Youth Power in Community Village has a place for them! Kids can come work or just hang out with others their age. Youth Power has jobs all three days of the Fair, kids sign up for one hour shifts and get paid in cash or food vouchers.

And Fair booths, remember us when you need jobs done. You can let us know in advance, someone's usually around Thursday evening, or just drop by.

We're the booth with the castle top, right next to the Fruit Booth in Community Village.

See you at the Fair

## Lost Children

Found children are first taken to the nearest Information Booth, then transported to either Child Care or Mellow Place. After hours, all found children are at Child Care. Information Booths are in constant contact with Child Care. If you lost your child (or found a child) please go to the nearest Information Booth or to Child Care (on Sesame Street at the top of the Eight).

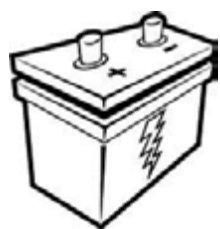

## Need Help?

We hope you don't have any emergencies, but if you do, go to the nearest Information Booth or to the White Bird Medical Clinic by the Main Stage. White Bird is a complete emergency medical system staffed by nurses, doctors and other health care professionals. Information Booths are equipped to handle minor first aid situations and can get you connected with the care you need.

## Feedback

During the Fair, feedback forms are available at any Information Booth. After the Fair, forms or written comments complete with your name, address and phone number can be mailed to: Feedback, OCF, 442 Lawrence St., Eugene, OR 97401 or emailed to office@oregoncountryfair.org. Your feedback is appreciated, welcome and given attention!

## Fairly Used Batteries

The Energy Park Electric Company will be selling off the batteries we use to power up the Solar Stages again this year.

These are BRAND NEW Surrrette S-460 L16 6V Deep Cycle Batteries. Top of the line with a seven-year pro-rated warranty.

Faerie dust included — no extra charge. \$275 each to Fair Family only. 530.475.3402 or bob@electronconnection.com

## Batteries For Sale

For Sale: The Oregon Country Fair buys new Surrrette/Rolls L16 heavy duty batteries for energy carts used for the Fair's various stages. The Monday after the Fair, these batteries will sell for \$250 each. Contact the Fair office, first come, first served.

## Lost & Found

Lost something? Please go to the Odyssey Information booth (near the Tofu Palace) to see if it's been found or to file a report if it hasn't yet appeared. All found items will be collected from Information booths and taken to Lost and Found Central at Odyssey by 6 pm each day of the Fair.

After the Fair, please email: lostandfound@oregoncountryfair.org with your contact info and a complete description of your item.

If your item is given to us after the Fair, we will do our best to re-unite it with you by mail (at your expense). If you're in the Eugene area, we may be able to deliver it to you. We keep found items for about 30 days after the Fair and then donate unclaimed goods to a local charity.

Please consider putting some sort of identification on your precious possession so we can easily return it to you. An address label is a good idea. Cell phones, ipods, cameras, fanny packs, all turn up and astonishingly enough, don't always get claimed. We would return items much faster if we can easily identify to whom they belong.

Found something? Please bring it to the Odyssey Information booth and your good karma points will increase considerably.

## Ride the bus to the Fair!

Worker Shuttle buses leave Eugene daily at 7 am during the event from the Valley River Center shuttle site in Eugene. (Southwest parking lot.) There is absolutely no overnight parking at the shuttle site. You must have a wristband, worker pass or dragon voucher to board any LTD bus to the Fair site during the event, including the worker shuttle bus. Please see your booth representative or crew coordinator for any of these credentials.

## Share the Drive

Need a ride to the Fair? Want to green your trip, lower your cost and help limit the cars on site? Your neighbors need you! The Oregon Country Fair thrives on regional music, crafts and community and we've added a new way for you to "relocalize" our huge event and meet people in your neighborhood. Meet online at www.spaceshare.com/ocf, then carpool, ride share or connect at the Fair for a ride home. The OCF is not affiliated with this service and encourages you to check out the details at the SpaceShare website.

## Get Cash

ATMs are located at Dragon Admissions and at Main Stage, along the fence on the right side as you face the stage.

## Calling all Unwanted Mugs to the Hospitality Kitchen

Perhaps you've noticed that there are often no coffee cups when you go to use one during the Fair. Did you know that Hospitality Kitchen is now serving approximately 6,000 meals per Fair? That's about 285 meals per hour, 24 people served every five minutes!

Although we have enough dishes, bowls and silverware to keep up with the pace, mugs continue to be in short supply. Do you have a few in your cupboard at home that you are tired of? If everyone brought a couple to the kitchen on Thursday, perhaps we'd have thousands. That would be enough. Please help!

## Hospitality

The main Hospitality is located in Main Camp and is open 12 pm to 5 pm, Friday through Sunday. Cool drinks, fresh baked goodies and a light buffet is served.

A hospitality center is also located in Flowin' Notes Shower area (near the Ware House). It is open Thursday through Saturday nights from 7 pm to 10 pm, and serves warm beverages and small snacks.

## Shower Hours

Four shower locations are available for staff and performers. Find one in dahinda's Acres on Smile Road, one at Alice's, Flowin' Notes is near Entertainment Camp, and there is one on the Far Side. Hours vary, but most are open early and stay open until around 10 pm. Please bring your own towels and shower supplies. Please be mindful that every gallon of water we use showering, we have to pay a hefty per gallon removal fee. So please keep your showers short to conserve water. Hours and locations are as follows:

### Shower Central

Thursday..... 5 pm – 9:30 pm  
Friday & Saturday ..... 7 am – 9:30 pm  
Sunday ..... 7 am – 4:30 pm

### Alice's

Friday thru Sunday ..... 8 am – 5:30 pm

### Flowin' Notes

Friday thru Sunday ..... 8 am – 10:30 pm

### Farside

Thursday..... 5 pm – 9:30 pm  
Friday & Saturday ..... 7 am – 9:30 pm  
Sunday ..... 7 am – 4:30 pm

## Smoking Areas

If you want to smoke, please be considerate of your fellow Fairgoers and smoke only in designated areas. Smoking areas have signs and brightly-colored butt cans. If you don't see the can, don't light up!

## OCF Sex Offender Policy

The following motion was adopted as policy at the May 1994 Board of Directors meeting:

1. Adjudicated sex offenders who are not currently in, or have not successfully completed, a sex offender program with a licensed counselor, are not welcome at the Fair as employees, staff, volunteers, contractors, entertainers or significant others.
2. Any person wishing to shall present documentation of an offense to the Operations Manager, who is granted the authority to bar said offender from entering the property, and may designate whichever crews necessary to enforce that prohibition.
3. Any coordinator or OCF staff person who is presented with aforementioned documentation will immediately report that information to the Operations Manager.
4. Any person barred from the OCF property may appeal exclusion through: a) the Grievance Procedure, or b) in June and July, when the Grievance Procedure is not in effect, the OCF president.

## Recently Unclassified Material

We accept UnClassifieds up to 30 words for \$5 each, per issue. Send listing with \$5 to O.C.F.-F.F.N. 442 Lawrence St. Eugene, OR 97401. Questions, or for information about display underwriting Email bradlerch@aol.com or call Brad @ 541-485-8265 (UnClassifieds not paid for by layout won't run.)

Boothspace to share? My whimsical and fun skirts are made from colorful puffballs: www.poofskirts.com. Fellow clothing/costume vendor a bonus. Flexible display needs. Camping space appreciated. Katie 503-423-7072; poofskirts@gmail.com

I Looking to Share a Booth with My Violins & Guitars I Carve into Eagles & Lions & Hummingbirds. If you'd like to see my work here are my webs: www.ViolinGuitarMaker.com & www.PetesArtFarm.com My Guitars will Attract a Crowd to Your Booth! Please call Peter Jay Huiras 262-894-8465

Hello. My name is Donovan. I'm looking for a booth space! This will be my fourth year vending at OCF. Last year I was at booth L.86. This year they don't have room for me. I create nature, mythical and fantasy inspired masks, crowns, barrettes and various adornments. See my work at wingandtalonleatherworks.com or new designs at wingandtalon.etsy.com. Thanks! (607)-280-0882.

I'm new! Need pottery boothspace! Have two 2foot deep x 6foot long freestanding wood displays. I'm happy, nice, good neighbor female. Potter for 36yrs. Thanks! Kris Kunihiro 541 929-2511 dogfarm.bamboo@yahoo.com

Last year receiving a 1YO booth was a dream come true for Diggin' Livin' Farm & Apiary. We long to have a home at OCF! Love to know you! www.digginlivin.com.

Experienced organic fiber clothing vendor seeks booth share. No camping space necessary, just a great aesthetic, positive attitude, and willingness to co-create. Let's make this our most beautiful and prosperous fair yet! www.tinctoriadesigns.com. Samantha 503-349-2484

Approved OCF crafter looking to share booth space. I create women's clothing and costumes using recycled and eco-friendly fibers. It would be an honor to share your space. Ann 503.705.6482 liveliveslow@yahoo.com

This sail is still waiting for its beloved wind. Elquino Artefacto, atypical micro-macrame jewelry. I am a new artist in the family, seeking booth space. I can email photos of my work. Nicole.Medema@gmail.com

Jeweler looking for booth space to share! New OCF artist, we make wedding bands, look for us at www.stoneparker.com. We are Stone, Sharlynn and our 2.5 year old son Jaden. 509-679-4332 or stone@stoneparker.com

11th Continental Bioregional Congress comes to Klamath Siskiyou Bioregion, Southwestern Oregon, August 19-27. Participatory bilingual hemispheric gathering functions as Congress; tools and solutions. Info: http://www.bioregionalcongress.net Last-minute registration: Trillium Booth #86

We missed last year's Fair, but gained a new daughter! Looking for someone willing to share booth space. I build hand forged garden tools. Please call 406-522-9443 / tuliestlin@hotmail.com.

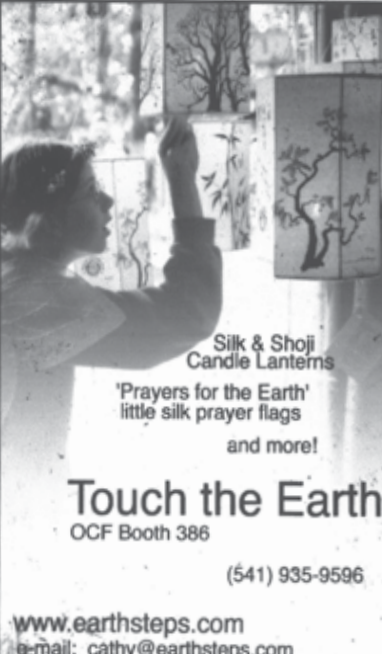

Third year vendor looking for a booth share. Natural Bath and Beauty products. Super friendly, responsible and fun. Will help out any way we need to www.venusdreamsblends.com. Joyce 503-750 5271

**CELEBRATE A GREAT FAIR** at the **Teddy Bear Picnic**

**SATURDAY, AUGUST 20**  
 MAIN STAGE MEADOW, 2 PM UNTIL.....

 **MUSIC and FOOD** 

A SPECIAL EVENT TO THANK THE FAMILY FOR A GREAT FAIR

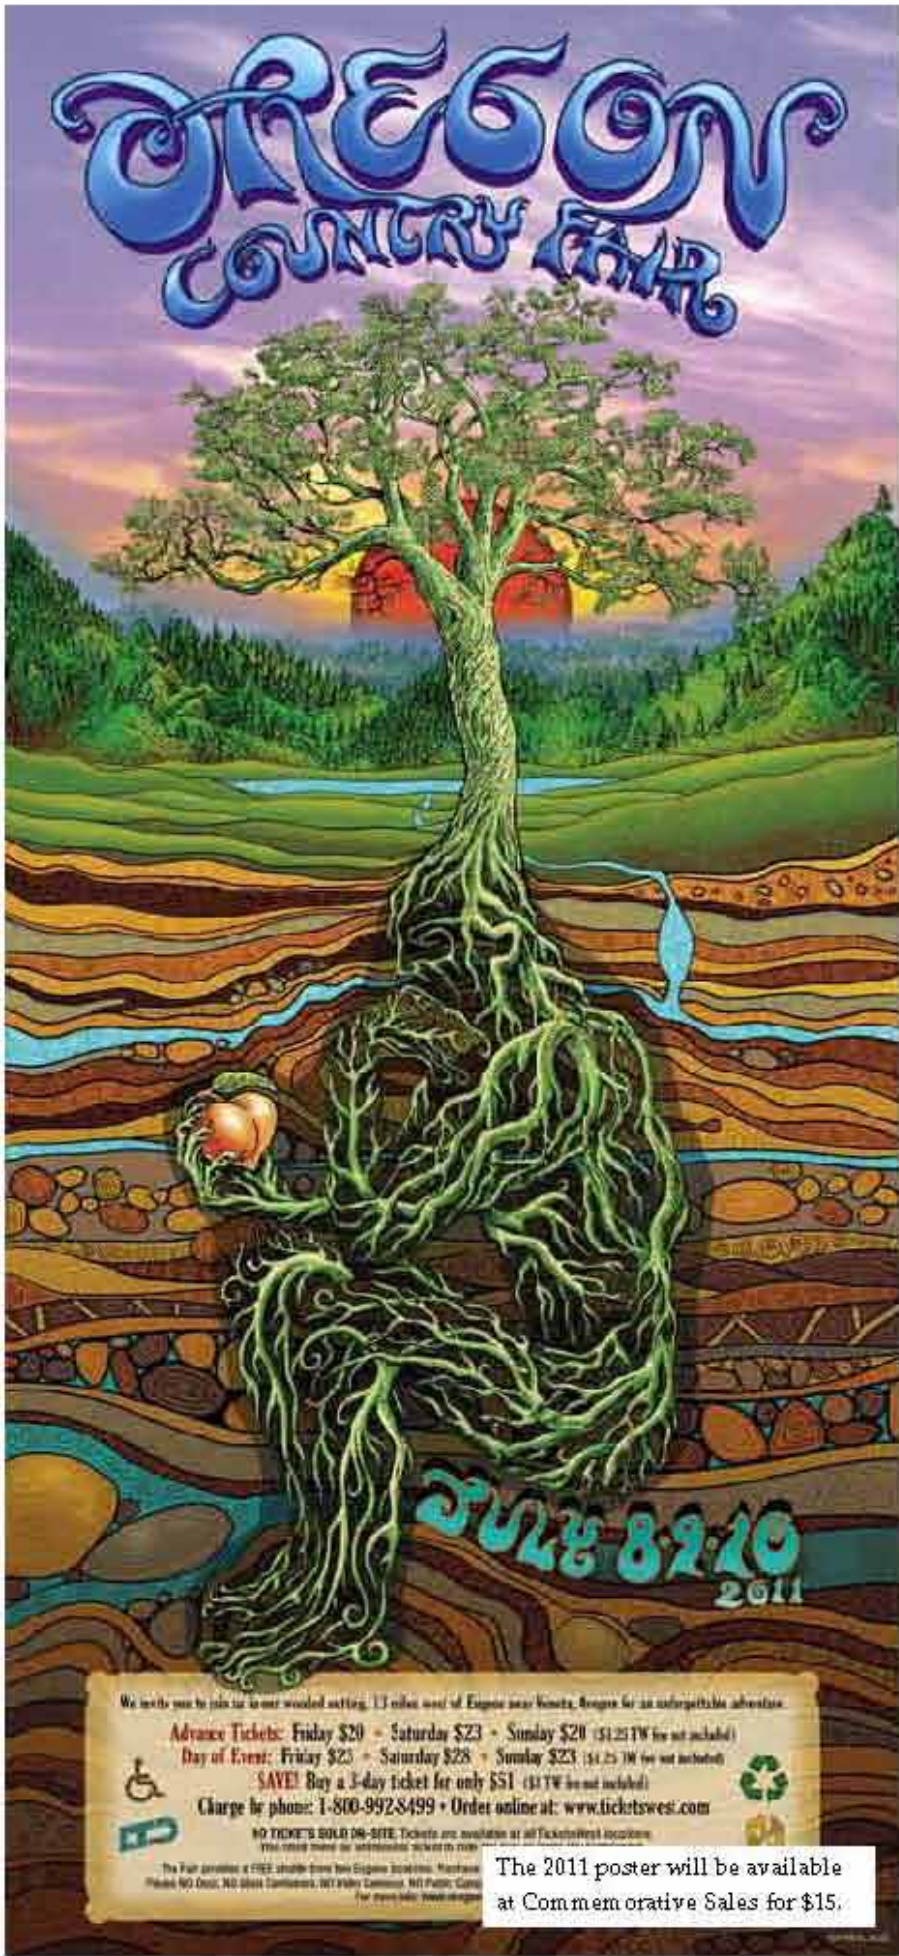

The OCF will provide barbequed chicken, tuna, veggie burgers, and non-alcoholic beverages. The rest is up to you. Please bring a potluck salad, side dish or dessert to share with your fellow bears. Be sure to mark your bowl or dish with your name for easy return.

Use Aero Road entrance and leave the pooches at home. Mark your dish with your name and let us Remember, this is a participatory picnic. please call or e-mail norma at the OCF office to see how you can help make this a fabulous event. We need help with grilling, greeting and cleaning up. Pretty please with peaches on top!!!!

NO DOGS! Hot dogs, yes; live dogs, no.

Feel free to stay overnight and plan to attend the Evaluation Meeting the next day. (No breakfast provided, but snacks will be at the Evaluation Meeting.)

## Family Letters

*This newsletter is directed to the Oregon Country Fair Family and all material is volunteered from the membership.*

*Opinions expressed here are those of the authors and do not necessarily reflect the policies of the Fair or the FFN.*

*Letters must be limited to 300 words. They will be edited for length and clarity. Please include name, Fair Affiliation and a method of communication (i.e. phone number or e-mail).*

## Fair Thee Well

We are sad to report the passing of two more members of our Fair Family: Allen Frost, booth member; and Joe Carioti, Admissions Crew. No other information was available at press time. Our deep condolences to the families of Allen and Joe.

## Make a Lime-Green Statement

Dear Fair Family,

First off, Limeys, great job on strutting your stuff last year. Positively subLime! This year we are at it again: Lime Green Friday! Wear lime in any form at any time Friday July 8th, 2011 no matter where you are or what you are doing, because things always go better with Lime. The Limeys will be up to our usual activities; meet & greet at the Dragon admissions up until 11 am, then heading to the Circus for the opening parade. We will meet up with Peachy (the Lime-Green Dragon) for special Lime-Green runs (check with the Dragon Handlers for times), as well as just strolling while radiating that aural frequency of Lime. As usual,

Lime Camp in the Crafts Lot will have plenty of Lime-Green loaners to help you buff up, accessorize, or create a head to toe Lime-Green statement.

Now for the serious news! Remember "Waste-Free by 2003"? Well we do, and to show solidarity with our uber-hardworking Recycling crew we want you Limeys to take one step to help. Locate your Lime-Green durables now and use them all Fair weekend. We are talking plates, bowls, cups, goblets, cutlery, chopsticks etc. all in a Lime-Green totebag. Let's do our part to help manage our wastes and go green, Lime-Green!

*Dana Merryday,  
De-construction crew*

## Your Video Suggestions

Bob Nisbet will be videotaping interviews at the upcoming Fair. Past videos have included crafters, cooks, musicians, jugglers, George Braddock at the Sauna, White Bird, etc. If you know someone who has a great story to tell at the Fair, please contact Bob at bob@bobnisbet.com or 503-206-1469. Be sure to include how I can find and contact the people to be interviewed at the Fair.

## Spring Fling a Smashing Success!

I want to thank everyone who made the Spring Fling such a smashing success. The music was lively, the conversations were scintillating, the hugs were plentiful and the raffle kicked butt. Many thanks go to an enormous number of people who worked to pull this off with such aplomb.

The raffle took in over \$1100, enough to help several low-income youth attend Culture Jam, our life-changing summer camp for teens. There were over 140 prizes; Fair family and other community members were wildly generous in their donations of

crafts, services and gift certificates.

Please join me in thanking the folks who helped make the Spring Fling the smashing success it was: the Board of Directors, who agreed to have Spring Fling raffle proceeds go to Culture Jam scholarships; Denny Guehler, our MC extraordinaire; Bob Fennessey for once again booking the entertainment; Katie Cousins, Mary Drew and Merrill Levine who so beautifully sold raffle tickets; Robin and her Culture Jammers who helped draw winners' names; Andy, Dick and Tony

for decorating the WOW Hall; and Charlie Ruff who helped me run the show. I especially want to give a shout out to Sue Theolass who sells beautiful purses at the Fair for helping me plan the raffle, who publicized ticket sales and who sold tickets from her Saturday Market booth and then staffed the commemorative sales table at the Fling. Sue is a gem!

Kudos to everyone – helpers, prize donators, raffle ticket buyers. You are all rock stars in the Spring Fling universe.

*norma sax  
Spring Fling Coordinator*

## Be a Good Nest Neighbor

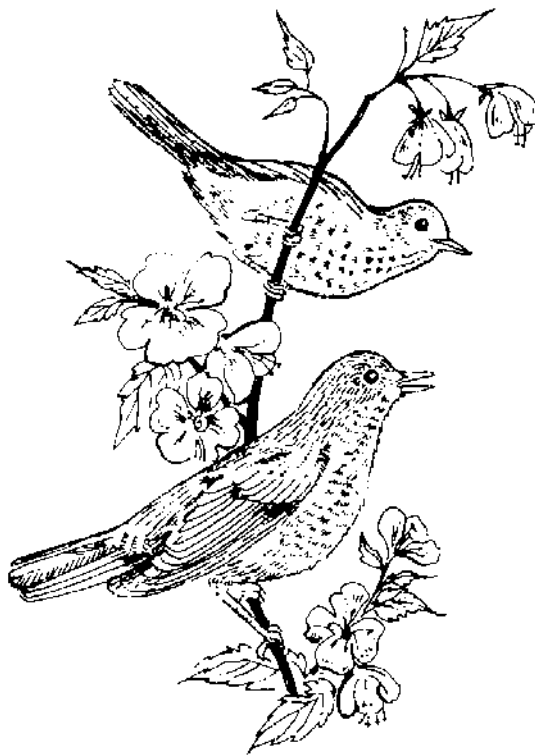

*by the OCF Wildlife Team*

Fair Family culture embraces stewardship in many ways, and encourages everyone to take responsibility for the protection of the plants and animals on the Fair site. The OCF Wildlife Team is made up of professional biologists available to provide information and other support for wildlife stewardship during the pre-Fair and Fair event. We help Fair Family figure out how to minimize impacts and to make accommodating wildlife an easy, informed and rewarding experience.

The most common questions we address involve nesting birds, since Fair activities overlap with their breeding season. We've responded by promoting a "Nest Neighbor" approach. That is, we work with neighbors in the local area surrounding a nest to build a shared awareness of what the birds need to do well throughout the Fair.

If you find birds or other wildlife at the Fair site — especially if they seem to "hang around" your booth, camp or work area — please contact the Wildlife Team through Quarter Master (pre-Fair) or Fair Central/ Odyssey (beginning Wednesday, July 6). A biologist from our team will respond to help you assess what's going on, and if necessary we'll communicate the situation to other Nest Neighbors and together devise a locally tailored solution that helps minimize impacts to animals. The goal is to keep all critters safe and in their habitats, but when necessary we can arrange for quick transport to the appropriate, licensed wildlife rehabilitation facility.

Last year on Wednesday before the Fair event in Chela Mela Meadow, we found two young American Robins loudly begging from their nest. The Wildlife Team concluded that the nest was abandoned after watching from a distance with binoculars for an extended period of time. We consulted by phone with Willamette Wildlife, a local nonprofit organization that provides licensed care for wild animals that would not

survive without it. We agreed that indeed the birds were abandoned and so we brought them in to their facility on Crest Drive in Eugene. After being raised by their trained staff, the Fair robins were successfully released in August. They were even seen eating wild fruits with other robins.

This year OCF made a donation to Willamette Wildlife, in recognition for their service to all the Lane County area by caring for animals that are sick, injured or orphaned. Executive Director Reta Anderson wanted us to pass on her sincere thanks to the OCF community for this support, and invites you to find out more information on the web ([www.willamettewildlife.org](http://www.willamettewildlife.org)). Similar to the OCF Wildlife Team, this organization conducts pro-active education and encourages phone-consultations before people bring in an animal they've found.

Often, an animal that appears to be abandoned may have a parent quietly lurking nearby, and so it is important to leave animals where you found them and seek help from a wildlife expert if there is a concern. Reta informed us that it is

not uncommon for her to receive 30 calls a day in the busy season from people who are concerned for young birds or other wildlife. Through their preventative "call-us first" approach, Willamette Wildlife reduces unnecessary removal of animals from their habitat while simultaneously minimizing the need for time- and cost-intensive care. This saves limited resources for critters that are genuinely in need, and the donation from OCF will go far with this small-but-efficient organization.

For more information about the wildlife team and who all we work with at the OCF and beyond, please contact us at [ocf.wildlife@gmail.com](mailto:ocf.wildlife@gmail.com). For time-sensitive questions while at the Fair site contact us, Glenn and Aaron, OCF Wildlife Team through QM or Fair Central/Odyssey.

**Board members present:** Diane Albino, John "Chewie" Burgess, Katie Cousins, Paxton Hoag, Lara Howe, Jack Makarchek, Deane Morrow, Jon Pincus (alternate), Indigo Ronlov (facilitator), Jon Silvermoon, Lawrence "LT" Taylor; **not:** Anna Scott (alternate). Nineteen Peach gallery, staff and officers were present.

### Agenda Review

**Old business:** Budget items regarding Peach Power funding approvals (Paxton) and Assistant Manager position (Jon S); Appointments of Codi French to Traffic Crew (Chewie), Sara Haimowitz to Peach Power (Paxton), Katie Cousins to Elders (Deane), Don Doolin to Main Camp Security (Deane), and Kristie Krinock to Vision Action (Paxton); Establish Enterprise Fund budget category (Lara)

### Announcements

Coalescence dance events are held on Sundays at 10:15 am at the WOW Hall and on Tuesdays at 6 pm at the Vet's Club. (Joseph)

Anna and Blake and Josey welcomed a new 8 lb-7-1/2 oz boy baby to the family June 5th. His name is Haydin Tyger Scott. (norma)

Two Fair Family members passed away recently - Joe Carioti of Admissions and Allen Frost, a crafter. (norma)

Lara's message at last month's meeting, "be excellent to each other", was inspirational, was used for the theme at the Sasquatch Brew Fest and will be on this year's VegManEc tee shirts. (Chewie)

The Bring back the Bow event will take place on June 20-24th in Eagle Butte, SD. DVD's of a South Dakota PBS broadcast about the event were distributed at the meeting. (Deane)

### Donations

**Recording Secretary's Report:** No new requests have been received in the last month. The existing two requests have been notified the next opportunity for donation consideration is at the August meeting. Give a Little Foundation's request is incomplete and there is no sponsor yet. Chewie indicated the radio loan planned for the Cascadia Wildlands event in September will not go ahead because he cannot assist the project. Charlie R explained there is also a conflict with radio service needs and limited availability at that time.

### Staff Reports

**Operations Manager:** Charlie Ruff reported the site is beginning to dry out after our wet spring. Main Camp opened last Saturday and the kitchen is doing a great job of providing for the working crews. He thanked Brooks and Betsy and the kitchen crew and the site crew for the kitchen set-up. Main Camp medical services are in place and White Bird will be on hand the last two weeks of preparations. The office is moved to the site and the staff transition away from town is underway. The town office, with Robin, will still be open from 1-5 pm weekdays. The inventory weekend went well and the appointment process made it much smoother. Appointments can be made by calling Lucy for a time on the next two Tuesdays at the town office, on Wednesday the 22nd from 5-9 pm at the town office, and on weekends on site at the yurt. The shuttle service plans are finishing and will be the same as last year with LTD working from the downtown station and First Student running from Valley River Center; the relationships and long term partnerships are good. Capital project funds for the AED's (Automatic External Defibrillator) were used and the devices are in place; the public will benefit from those expenditures this year. The Maple Gate structure for the new highway sign is up and the new sign will go up next week. It's pretty darn amazing! The sign says "Home of the Oregon Country Fair". Charlie added that a "Front of the Fair" stakeholders meeting is being planned for Saturday, June 25th and will involve all the folks who help get the public into the Fair. The subject is the re-visioning of the Fair entry.

**Administrative Assistant:** norma sax reported the site office is up and running after a nice opening and a lot of packing and unpacking.

**Site Manager:** Steve Wisnovsky reported the past three weekends were the hectic start of Main Camp with thousands of details and minutia. It feels like the old surf bum days when you would paddle ferociously to try to catch the wave - and then hope to stay up! Regarding the billboard, Steve noted that while he initially had reservations, he sees how it is an expression of us, a spectacular work of art, and a big eye opener. He thanked Rebecca for her leadership and Tim Wolden for the structure design and Andyman and all the others for the construction. Steve also expressed appreciation for the work of Kirk, Heather, Jack, Joe and construction crew, Rainbow, the QM's, Shane and the site crew, and Andy and Jeff for all their hard work year round. A whole lot of appreciation needs to go around, it's a grand thing we do!

**Office Assistant:** Robin Bernardi reported the office phone number forwards to the site. People are coming into the town office for Culture Jam preparations and for Fair preparations so it's like two worlds and is a very exciting time of year.

**Assistant Manager:** Tony Clementi noted it was 3 months ago tonight

that he started work; it's been great and he is very thankful. He has a giant list of stuff going on. Charlie and the staff are amazing and it's a very exciting process. Go out on the highway and see the sign! LT's recent comment that fresh air and sunlight are great disinfectants really applied to the site this weekend.

### Committee Reports

Lara asked about the bank erosion on Strawberry Lane. Steve W said the path will be adjusted and the recycling vehicles need to be cautious about getting too close to the river bank in a couple of places. Discussions about the best solutions are still underway.

**The Elder's Committee** met at the town office at 7 pm on May 26<sup>th</sup> with eighteen people in attendance. The minutes from the last Elders meeting were reviewed and approved as written for posting to the Fair's web page.

The composition of the Time Line mural for the nineties is almost complete and ready to assemble. There is still an ongoing search for photos from that time period to complete and complement the story board. This will be the third mural in this series and will be on display on the back wall of the Still Living Room along with the first two murals.

The Elders Camping crew has completed its second of three on site work parties. There was a good turnout of Elders seeking to secure their camping spots for this year's Fair. Again they worked on hauling dirt down into the camping area to help level their chosen spots. More Elders each year are experiencing the beauty and tranquility of Elders Camp.

Progress for the Elders events is on schedule and everyone involved are doing their best to ensure that both the Old Timers Picnic and the Elders Meet and Greet will be events to put in the memory book. The Old Timers Picnic will be on Saturday June 25<sup>th</sup> at 6pm, across DeSpain Lane by the History Booth. The Meet and Greet will be on Thursday July 7<sup>th</sup>, at 8 pm at Alice in Wonderland's fire pit.

Progress on the Still Living Room is right on track. The Committee members reviewed a sample of ID badges being created for Elders to wear that are working a shift in the Living Room so that people will be able to better locate someone who might possibly know what is going on. The Still Living Room Banner that disappeared from the first Living Room event has never been located so a new banner is being designed and built.

The next regular Elders Meeting will be held at a committee member's home on June 23<sup>rd</sup> at 6 pm. There will be a potluck followed by the meeting. Anyone interested in attending this meeting can get the location address from the Fair office.

Jon P asked about dates for upcoming Elders events. Chris Browne said a work party will take place this Saturday from 10-2 for the camping area.

**The Path Planning Committee** met on May 15<sup>th</sup> at the Hub Yurt with seventeen people in attendance. The minutes from last month's meeting were reviewed and corrections made and approved for posting on the Fair's web page.

A stanchion prototype design for displaying banners was set up and presented to the Committee. This model is set up along the road by Indian Creek to test for wind and people durability.

The Committee reviewed operation and conceptual designs for the Entrances Improvement project. Overall input needs to include all stakeholders.

There was much discussion among the Committee members concerning the recent passing of a very active and valuable member who will be sorely missed. They are looking to create an area to honor all past members. The Committee is open to anyone's ideas on how to accomplish this.

The Committee reviewed the work plan for the year to continue research and development of Crafts Lot and Gypsy Way areas. The intent is to include any stakeholders in these areas to better understand their views concerning development of these areas.

The next regular Path Planning meeting will be held on June 19<sup>th</sup> at noon, at the Hub Yurt to finalize what will be presented during the Fair this year.

Deane said Path Planning held a great walk-about with child care and others to explain the plans for next year's new loop.

**Community Center Committee:** Chewie researched various survey methods. Lidar maps (digital topography from aerial scans) from the Army Corps of Engineers covering the OCF site won't be available for many years. The next best solution is an on-site land survey of specific site options. He has begun discussions with people who are willing to help from the Department of Geology and Mineral Industries (DOGAMI) at the UO.

Thom solicited the committee's considerations to develop a site matrix to identify the optimal location for the community center. He asked what parameters are useful and/or necessary. Will the kitchen and community center be housed in one building or part of a campus plan? The committee discussed the kitchen and community center separately. General considerations include solar exposure, displacement, archeologi-

cal sensitivity, septic needs, parking & transportation, and signage. This led into a related discussion about the original and evolving functions of Main Camp. Final comments on the kitchen: Wherever they ring the dinner bell, people will come. The kitchen will pull and dictate movement. Consensus is nearly reached with the location between the Hub and the mobile home.

The next meeting will be held on site at the Hub on June 20, 6:00 pm.

### Approval of minutes

**Indigo moved, Katie seconded, to adopt the May 2, 2011 minutes. The motion passed 10-0.**

### Budget

**Treasurer's report:** Hilary Anthony wished Grumpy a happy birthday. She reported people are now taking on their financial responsibilities and the procedures are working well with money moving in and out as tickets are sold and event preparations are undertaken. She pointed out, if all the budgets came in at just 10% over, the Fair would risk going into the red. All the coordinators and volunteers do a great job to make it happen on or under budget. Jon S asked if the \$5598 miscellaneous income was from various sources or a single source. Charlie and Hilary explained the amount came from a number of small sources. Hilary noted the audit review, with Jones and Roth, is almost finished. Jon S asked if the valuations of fixed asset property in the balance sheet are historical numbers or current real values. Hilary said the valuations are historical, are the amount originally paid, and to get current values would require appraisals of the land, timber and buildings. Other property, such as vehicles, depreciates. Charlie added that a recent insurance review and assessment showed that the properties have a mix of high and low valuations. Jon S noted that the Community Center planning should consider this information about the existing structures.

**Jon S moved, Deane seconded, the Board recognize the probationary period for Tony Clementi, the Assistant Manager, has been completed and that all benefits become active and the Board adopt the Personnel Committee's and the Operation Manager's recommendation that commensurate with his demonstrated abilities and experience, Tony's wages move from Step 3-1 to Step 3-3.** Board members expressed their thanks to Tony. **The motion passed 10-0.**

**Paxton moved, LT seconded, the Board approve the Peach Power recommendation to use \$5000 to rebuild the Solar Roller and to use \$175 to purchase audio equipment for meeting conferencing.** **Peach Gallery:** These projects are worth supporting but the process for Peach Power to administer the green funds through the Budget Committee doesn't seem to achieve flexibility or promote big picture and overall planning; the process should be reconsidered (Hilary A). The Solar Roller is an essential item for the event and this will enable an upgrade to give the machine more years of service (Steve W). The Peach Power process and Anna's efforts are needed but working through the budget cycle is not very nimble; a Green Change line item, following Peach Power's recommendations, with the Board as the gatekeeper, would be more flexible and make funds available on an immediate basis (Charlie R). The bike rack discussion is still an uncertainty as the need and use is evaluated - would a rack promote riders from town or would it be a convenience for Fair Family on-site riders; would a bike valet system be better; should we expend the time, fuel and energy to set them up (Charlie R)? Fix the Solar Roller and let the green funds build up for major projects (Joseph N). **Board:** What's the audio equipment item (Chewie)? The equipment would enable audio conferencing for meetings using the internet and reduce travel impacts (Tony C). The needs for the Solar Roller became known after the Capital Projects approval; the upgrade includes an inverter; Peach Power does have a list of projects in the plans and the Vision Action Committee is also recruiting ideas (Paxton). The Peach Power funds could be applied toward Community Center energy alternatives and efficiency (LT). The motion has my support; we need to discuss the bike rack plans and options (Jon P). The motion has my support and I encourage Peach Power to be more aggressive with plans such as converting all the service vehicles to electric instead of just one or setting up solar hot-water at Alice's (Jon S). Considering the direction of these funds, there are many good ways to reduce energy consumption and improve efficiency and some aren't really glitzy but are effective and do pay back the investment, such as better insulation and triple or quadruple pane windows; the funds could be in a Green Change line; they could be used for projects that are older technologies and have guaranteed paybacks and are not environmentally hazardous; projects that sell power back, or reduce use, and get us closer to off the grid...but I'm for the cart and that's fine (Jack). **The motion passed 10-0.**

### Old Business

**Chewie moved, Indigo seconded, to appoint Codi French to the position of Traffic Crew co-coordinator.** **Peach Gallery:** Thanks for stepping forward; with this appointment Traffic Crew co-coordinators achieve gender balance (Steve W). She has been on the crew for 15 years, does pre-Fair, she is dedicated and is an exemplary volunteer (Sheldon). This appointment has my total support (Charlie R). With this appointment, how many Traffic Crew co-co's are there (Hilary A)? **The motion passed 10-0.**

**Paxton moved, LT seconded, to appoint Sara Haimowitz to the Peach Power committee.** **Peach Gallery:** Sara helped with Culture Jam grant writing and did a great job (Robin). **Board:** She has been coming to the meetings and is an asset and has useful skills (Paxton). This appointment has my support (Chewie). **The motion passed 10-0.**

**Deane moved, Diane seconded, to appoint Katie Cousins to the Elders committee.** **Peach Gallery:** I'm thrilled about this appointment (Charlie R). She has been helping and supporting the Elders all along (Chris B). **Board:** She is too young (Lara). Thanks (Deane). She is supportive and active (Paxton). **The motion passed 9-0-1 (Katie abstained).**

**Deane moved, Jon P seconded, to appoint Don Doolin to the position of Main Camp Security Coordinator.** **Peach Gallery:** This goes back a ways; this reinstatement has been considered with Charlie Z and is a step in a plan where Don will move towards filing a training and education role for the newer and younger volunteers (Charlie R). The improper transition away from the position has shown the importance of open communication (Don D). **Board:** Thanks (Deane). I'm happy you are coming back, your expertise is an asset to the organization (Chewie). Don and I started 28 years ago; skill sets and experience have grown but it's the personal aspect of all those years that matters; I'm pleased and proud to be in this family with you (LT). **The motion passed 10-0.**

**Paxton moved, Deane seconded, to appoint Kristie Krinock to the Vision Action committee.** **Peach Gallery:** She is the de-facto chair of the committee at this time so this appointment would help (Joseph N). She is active with the survey team and has lots of energy (Charlie R). **Board:** She brings energy and has been helping with committee tasks (Paxton). **The motion passed 10-0.**

**Lara moved, LT seconded, to approve ice, commemorative sales inventory, durable tableware, and one-year replaceable batteries as enterprise funds and to approve our Operations Manager to authorize and supervise those budgets and to authorize purchases for above-budgeted amounts in response to sales.** **Peach Gallery:** This will make the budget reports easier to understand (Joseph N). In our Quick Books, there is a need to account for these revenues and a special category for enterprise funds makes us more nimble with oversight to bring funds in and out as necessary (Charlie R). This is about good record keeping and authority and is not intended to step on toes but to have flexibility without changing the role of the coordinators and their planning (Hilary A). **Board:** In response to Chewie's question of how this works, if the budgeted level of ice is all used up on a hot year, the Operations Manager can authorize an additional purchase of ice that exceeds the budget in order to keep the sales needs satisfied (Hilary A). I think this adds a little Free Market flexibility to a Soviet Style planned economy (LT)! **The motion passed 10-0.**

### Member Input

Thanks everyone, for tonight's admirable brevity (LT)! Did you want to say a little more about that (Indigo)?

This week end at Main Camp, the Kitchen, Quarter Master, and Operations personnel were operating and working very smoothly, it was a great effort (Jon P).

The WOW Hall and KLCC booth is being rebuilt this year by volunteers. They are using Yew wood and it came from their salvaging efforts (Jon P).

It should be noted that the Board's responses to all the motions tonight were unanimous and everyone seems really positive (Chris B).

Uncle Billy's Ukulele Conservatory will be at Chela Mela this year and will be teaching people how to play and will be performing; there will be belly dancing lessons on the Monkey Palace stage (Hilary A).

Joules Graves will play at Community Village for the 30th anniversary (Jen-Lin).

An opening ceremony at the Main Stage will be about water, considering the nuclear leaching into the Pacific and the oil spill into the Gulf of Mexico and all the damage; Grandma Aggie and others will lead blessings and prayers; there will be water alters (Indigo).

### President's Peace

The metaphors of fluid, liquid, and the tremendous forces for rivers, waves, oceans, and the oneness of the water apply. We at the Fair are a bunch of individuals, and we can put great confidence in someone younger and let them help with the burden. I recently had to put a horse down and just got a new one; riding on a horse is way different than riding on the water or on the river, and you know that you will get to where you are going, well and fast, pulsing, beautiful, and like the wind. Getting in tune with the steed, pressure is not always rewarded, it's about the confidence. Like the wind we go forward to a good future, its coming up quick (Jack).

### Adjourn

The meeting was adjourned at 8:30 pm. The next Board meeting is the July meeting, to be held on June 26th at 4 pm, on the Fair site.

**Consent Calendar donation requests for August:** Give a Little Foundation (no sponsor); Sexual Assault Support Services (Chewie).

**Tentative agenda for the July Board meeting:** Staff and committee reports; Gratitude (Lara); Fair Family council, comment and discussion. After adjournment, share some social time with the Board.
